Unit-II

2. (a) Read the following passage carefully and answer the questions given below :

Youth is the another name for vigour and vitality. The old might be experienced and mature but they lack dynamism. History is witness the, that all movements and programmes of national importance anywhere in the world have heavily banked upon youth power. Indian National Movement could gain momentum only when youth power was harness to it. China used to be slumbering giant Mao Tse Tung who motivated the youth and in a few years time the country turned into fully grown national pulsating with life. It is the youth of China who revolted against the autocratic forces in Chinese Government and demanded decentralisation of power in the country.

(3)
