Important notes

1. Students must join the concerned Google class room at least one day prior to the date of examination through the subject wise code provided as above.
2. Students can contact to the teacher concerned in case of any difficulties.
3. Question paper will be available through Google class room in class work in stream section 30 minutes before the commencement of examination.
4. Students can use A4 size paper (Ruled or blank) to write their answers.
5. The first page of the answer script must contain Exam Name, Roll No. in word and Figure, Enrolment No., Total No of written pages, Date and Day of examination and Subject. The sample of first page is uploaded in Google classroom. You can either take the print out of this page or can prepare similar page from your own.

6. Students must sign on each page and pages must be numbered.
7. The total No of written pages should not exceed more than 32.
8. After writing answers , students must clearly scan it through good quality scanner and create a single PDF file (In case of any difficulty you can create two PDF)
9. Upload your answer in Google classroom.
10. In case you are not able to upload it in Google class room then you can send it through E-mail or whatsapp also.
11. One hour extra time will be provided to upload or to send answer script.

Note:

1. **In case you are not able to upload it in Google class room then contact to teacher I/C for alternative arrangement.**
2. **Students must put their signature on each page at the bottom. Also write page no. at the lower right corner.**

Steps of joining Google class room, downloading question papers and uploading answer Scripts

Steps to Join Google class room

1. Sign in with your e-mail account.
2. Go to <https://classroom.google.com/>
3. Click on + sign available at the top upper corner of the window.
4. Enter Google class room (of subject concern) provided in the notification.
5. Proceed.
6. Go to classwork section and click on file. It will be downloaded in your local drive.

Steps to upload answer scripts

1. Go to class room section.
2. Click on submit button
3. Browse your PDF file and upload it.

HoD, CSA

Enclosure: Answer sheet front page and sample page.

First Page (Take the print out of this page or prepare similar page and add it as first page of your answer script)
