Unit-III

- 3. Write a precis of the following passage and suggest a suitable title to it : 10

Teaching is the most noble profession. A teacher has a sacred duty to perform. The responsibility of shaping the character of children rests on him. Apart from developing their intellect, he can inculcate in them qualities of being a good human, remaining near and clean, talking decently and sitting properly. These virtues are difficult to be imbibed. Only he who himself leads a life of purity, simplicity and rigid discipline can successfully cultivate these habits in his students. Besides a teacher always remain

(3)

young. He may grow old in age, but not inspite. Perpetual contact with budding youths keeps him jolly and happy. There are moments when worries weigh heavily on his mind, but the delightful company of innocent students makes him overcome his transient moods of despair.

Unit-IV

4. Read the following passage carefully and answer the questions that follows it :

(a) Man is the most paradoxical of all animals. On the one hand, he is the most imaginative and creative creature. On the other hand, he is the most dangerous and destructive of all animals. He has destroyed much of his creation. Toxic chemicals are still poisoning the world around us although we know of the dangers. Man's greed has brought the great whales to the verge of extinction. Plants and animals which share the earth with mankind are current products of an endless process of evolution. They were shaped by their environment. All animals are product of their habitat. They are our heritage, the natural part of our environment and we have a simple duty to look after them for the generation that will follow us.

(4)

Answer any **five** questions of the following : 10
