To,

Dear Sir,

It gives me an immense pleasure to extend an invitation to attend a seminar on “Autonomy of the Universities and Relation with State” sponsored by the Association of Indian Universities (AIU), New Delhi to be held at Bilaspur University, Bilaspur (Chhattisgarh) from 10<sup>th</sup> to 11<sup>th</sup> December 2014. For the enhancement of quality education in universities & autonomous colleges, Academic autonomy has been the focal point of discussion for quite some time. From time to time intelengia and academicians have debated on the issue but no conclusive policy and cohesive consensus have emerged. In the changed scenario on higher education, knowledge, innovation, skill and value education needs to be integrated. Therefore, autonomous character of the universities in this context requires consensual efforts deliberations and discussions for putting forward comprehensive views to the policy maker in the state and central governments.

With your rich experiences in higher education, your participation will enrich the discussions and help in bringing out the focussed recommendations on the issue. The brochure of the seminar is enclosed for your perusal. You may kindly select and submit the topic of your choice for deliberations from it. You are requested to confirm your participation and travel plan to Dr. H.S. Hota, Department of Computer science, Bilaspur University, Gandhi Chowk, Bilaspur (C.G.) 495001, Email : [proffhota@gmail.com](mailto:proffhota@gmail.com), Mobile No. : 09425-222658. I look forward in meeting you in Bilaspur.

*Thanking you and with regards.*

Yours Sincerely
